

At Twin City Supermarket, we are dedicated to supplying our community with all their families' needs.

During this COVID-19 outbreak, we want to reassure you that our team is working diligently to keep our shelves stocked as supplies permit.

We have taken extra steps to ensure that our Supermarket is disinfected with a Bio Fogging system. EPA certified EST. No 527-NY-2 Eviro Care Disinfectant from Nova Complete Maintenance LLC., in order to keep a safe environment for everyone.

We will continue re-stocking our shelves as product arrives. The supply chain will catch up to the current demand, but until we can confirm product availability, we will not be running a weekly ad. We will stay focused on keeping our store well stocked.

**WE ARE OPEN REGULAR HOURS
MONDAY - SUNDAY: 8AM - 10PM**

**WE WOULD LIKE TO THANK
EVERY CUSTOMER FOR THEIR PATIENCE
DURING THESE TRYING TIMES!
STAY WELL AND BE SAFE!
